The diagram illustrates a kiosk terminal interface. At the top, a horizontal bar is labeled "KIOSK TERMINAL". Below this, on the left, is a rounded rectangular box titled "MEMORY CARD INFORMATION". Inside this box, the following text is displayed: "CURRENT CAPACITY: 64MB", "MAXIMUM CAPACITY: 512MB", "MEMORY INCREASE: POSSIBLE", "MEMORY REDUCTION: POSSIBLE", and "CHARGED CAPACITY: NONE". To the right of the information box are three vertically stacked rectangular buttons labeled "MEMORY INCREASE", "MEMORY REDUCTION", and "CANCEL".
